# WILSON DECLINES TO ALL CITY HOSPITALS HEAR MRS. FRENCH TO BE REORGANIZED

Gets Invitation to Fireman's Ball.

Hor Springs, Va., Dec. 26.—One invi-tation which the President and Mrs. Wilson received to-day and answered with regret was that of the Rev. James Avery Norris, pastor of the Hot Springs Presbyterian Church, and head

Through Charles Swem, the Presihotel by Mrs. Seth Barton French of New York, who returned from Europe last week after a year's work with the American Ambulance Corps on the British front in northern France. The Rev. Norris said that Mrs. French would observe absolute neutrality in her displacement of the Brooklyn institution may become general, he said. He intends to

nual ball Tuesday.

sday, and the occasion was too mo wearers of helmets and red shirts. Through snowdrifts two feet deep and among slippery grades where the winds had swept the mountain roads clean President Wilson and his bride went for

a two hour ride to-day. Several times the car skidded and slipped enough to make the experience exhilarating, but at no time were the two in danger. The chauffeur kept away from the more precipious slopes.

After the snowstorm of last night the day was clear and cold, and the honeymomers needed all their heavy wraps. It is expected that the snow and cold weather will be steady from now on. Confidential messengers of the President returned from Washington to-night where they had gone to spend Christmas. What interesting and incidental little chats they may have had with Secretary Lansing are unknown, but there is no uttempt to deny that the President will gain considerable information of a confidential nature.

Important developments may be looked for in the next day or so, it is believed. For a time today wire comthere is no attempt.

on national preparedness, the following statement of the policy of the Grays and of its veterans is interesting:
"The military drill has sometimes been criticised by peace advocates as tending of Suffolk County. of Suffolk County.

criticised by peace advocates as tending to cultivate a warlike spirit. While the Knickerbocker Grays is in full sympathy with all policy which would eliminate war, it recognizes the value of developing in our youths that loyal spirit of patriotism which would defend and protect the native land, even at the expense of life. Faithfulness to duty is the most important attribute of the soldier and should be the badge of true manhood in every walk of life."

ENROLMENT OF 10,178

AT THE CITY COLLEGE

Of Suffolk County.

Hempstead, L. I., Dec. 26.—Robert Seabury, one of the best known residents of Nassau county, died at his home here to-day of a complication of diseases after an illness of two weeks. He was born in Hempstead, December 10, 1844. He studied law in the office of Baldwin J. Spooner of Brooklyn, also J. W. C. Leberidge of New York city, being admitted to the practice of law in 1866. In 1864 he enlisted in the Fifty-sixth New York Volunteer Infantry as a private and served a few months, until the end of the war. He married twice, his second wife, Mary Hendrickson, who is a sister of his first wife, surviving him.

Mr. Seabury had been active in the political life of Nassau and Queens count house a story at a time. As an example of the tremendous waste of this plan he cites the building of the State Capitol.

In an additional statement Mr. Bendre that the city has at present a borrowing capacity of only \$11,341,578.48, that "it would seem an act of folly for the city to enter into a contract for \$10,000,000,000 for turnishings."

HEMPSTEAD, L. I., Dec. 26.—Robert
